

Teaching pedagogy

IMT'S MBA programme provides opportunity for an intensive and intellectually challenging advanced study of management, combining both theoretical modules and practical exposure. The institute believes in participatory learning rather than conventional teaching. The role of a faculty member is that of a facilitator. The pedagogy includes case studies, panel discussions, seminars, business games, role plays, organisational studies and interaction with managers and entrepreneurs. Noncredit courses on group dynamics and executive communication, using participatory methods will be offered for self development and softskill enhancement. Exposure to industry and inter-action with the practicing managers through the summer placement and final project study enable the students to get a real feel of the functioning of the organisation.

Training and consultancy division

The core competence of the institute consists of its highly experienced professionals with managerial and management consultancy experience. The institute has already established a training and consultancy division for offering management consultancy and training services to organisations in business, cooperative sector and government. Such interaction of the faculty with organisations outside will enhance the learning and placement opportunities of the students.

MBA PROGRAMME

(Full time two year course)

APPROVED BY AICTE
AFFILIATED TO UNIVERSITY OF KERALA

With the mission of producing world class professionals in the fields of engineering, medicine and management, the Co-operative Academy of Professional Education (CAPE) has successfully established in Kerala seven engineering colleges, a medical college, a Co-operative hospital at Punnapra, a nursing college, a nursing school and a finishing school, within the last ten years. CAPE is a collective educational endeavour of hundreds of organisations in the co-operative sector in the state as well as of the Government of Kerala, Department of Co-operation. The Hon'ble Chief Minister of Kerala is the Chairman of CAPE charitable society and the Hon'ble Minister for Co-operation is the Chairman of its Board of Governors. The overwhelming public response to its educational mission has inspired CAPE to present to the community its business school - The Institute of Management and Technology (IMT) at Punnapra. The institute is a dream project of CAPE's leadership and the vision is to establish a management institute of excellence with the objective of creating world class managers.

MBA Programme

The Institute of Management and Technology (IMT) announces a two year, fuM-time MBA programme for the academic year 2017-2019. The institute is affiliated to Kerala University and has obtained AICTE approval for the MBA programme. The MBA programme of IMT prepares the youth with skills, knowledge and strategic perspectives essential to business leadership anywhere in the world. The programme has been designed to provide a portfolio of strong functional skills as well as the ability to apply, adapt and integrate these skills to different management settings. While the curriculum provides a rigorous foundation in traditional management disciplines, the educational process, with its emphasis on new strategy and managerial skills, develops the skills for problem solving, decision making and leadership of complex organisations.
